Powering Economic Growth

"Our economic growth focuses on permitting, inspection and licensing processes that are efficient and cost effective."

"We've calculated return on investment at 80% in the first year alone."

"Our City achieved a 25% reduction in review times overall after 2 months of using ProjectDox."

"With a 60 hour/ month reduction in plan review staff time, commercial reviews are completed in 10 business days instead of 5 weeks."

"We reduced review service from 7 to 3 days immediately after implementing ProjectDox ePlan technology."

"As part of its economic success plan, the County is improving the speed, consistency and predictability of its development review process."

"The City set out to make the permit process easier for its customers so it could attract and retain the businesses that are fueling the city's economic recovery. The plan seems to be working."
