

## PaperlessNOW Rapid Launch ePlan Solution

ProjectDox® is the market's leading Electronic Plan Review (ePlan) solution that digitally transforms the way localities review and approve projects.

No more lobby waiting. Permit applicants can interact safely in a completely online environment with your jurisdiction's team to keep your business operations flowing remotely. PDOX delivers efficiencies via a proven plan review process thereby accelerating the permit review process which stimulates economic growth - all while assuring building safety compliance.

**ProjectDox provides a highly configurable workflow, interlaced with content management, built for the process complexities of reviewing building designs.**

- Unlimited users
- Project-centric document & version control
- Bulk upload applicant submission capability
- Maintains legal integrity of applicant documents
- Manages correction submissions with advanced revision compare
- Task assignment and notifications, with accountability/reporting
- Batch approval stamping

Under extreme conditions, such as closing operations to public traffic, ProjectDox Electronic Plan Review Software allows jurisdiction employees to conduct "Business as Usual" from their home. ProjectDox allows applicants to submit plans - and jurisdictions to review, access and manage building plans and trade permits electronically no matter the challenge, or where you work.

**PaperlessNOW is an Avolve Cloud Solution with a proven best in class building plan review workflow. It is deployed remotely and comes with online training for a fast go-live deployment to get your jurisdiction operating to move projects forward in your community, while keeping your employees and citizens safe!**

Jurisdictions using ProjectDox have been resilient and able to remain operational under recent pandemic restrictions:

**Hillsboro, OR** "...business as usual, 50% working from home, thank you Avolve. Yay!"

**Carmel, IN** "...all of our staff are equipped to work from home....no interruption of service thanks to Avolve's electronic plan solution! Business continuity at its best!"

**Vancouver, WA** "I'm so thankful we have ePlans! That is really helping our City through this trying time. Other jurisdictions are stuck but we're able to work remotely so everyone is safe and still has a paycheck. What a blessing!"

**Detroit, MI** "ProjectDox has been a lifeline throughout this remote pandemic process BSEED has in place!"

**Santa Monica, CA** "Things are going well. We didn't face the issues other are facing."

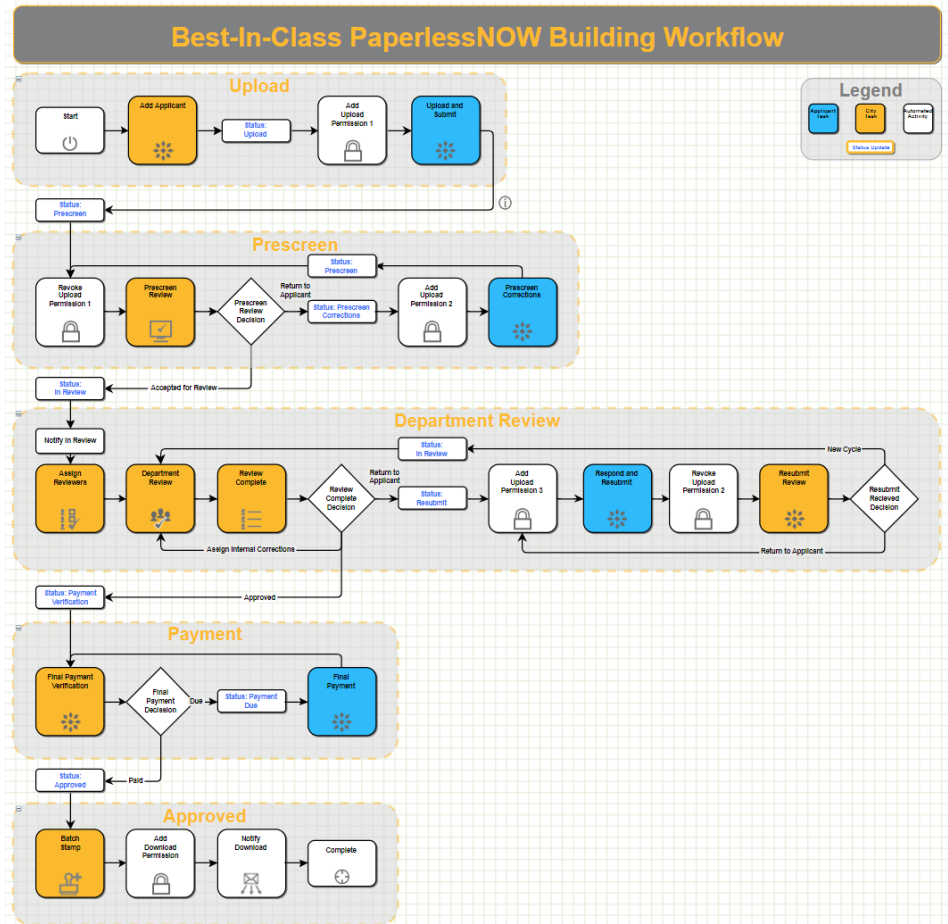

# ProjectDox

## Supports Your Goals:

- ✓ Deployed in Weeks – Open for Business online process keeps citizens and employees safe
- ✓ Keep Economic Development Moving Forward get things built faster
- ✓ Project-centric Document Management more than a viewer
- ✓ Time & Staff Management better collaboration & transparency
- ✓ Efficient Use of Resources do more with less

The PaperlessNOW rapid launch deployment is designed to get your jurisdiction back up and running in weeks. Avolve will deploy and configure an out-of-the-box business process that enables your Building Department Plan Reviewers to access the documents and drawings they need to review / approve projects. This is an ePlan review solution that will work for your jurisdiction, no matter what challenges we face.

*“All I can say is thank goodness we went SaaS when we did...all plan review staff is working from home successfully!”*
